

The 2021 Inspiring Student Award

Apply to the Inspiring Student award and take a chance to make your project recognised in a network of international aerospace experts

Who can apply?

A student or a group of students who has carried out an innovative project in an academic or external context and whose implementation could be beneficial to the Aerospace industry (student project, hackathon, thesis, PhD...)

The Inspiring Student Award is attributed in front of an audience composed of international experts, researchers, executives, decision-makers, etc. The winning project will be awarded the following prizes:

- The Baccarat Cristal Excellence Trophy -
- Full access to the networking sessions organised after the Prize Giving ceremony -
- Dedicated publications on aeromorning.com and on our media partners' website -

EVENT PARTNERS

- Aerospace Business Club -
